connecting for good

What's something about you most people don't know?

Favorite Causes:

Please describe how have you "connected for good" recently?

How and why you got connected or "did good"?

Was it through your company or friend?

What stood out for you about your experience?

How or why you encourage others to “connect for good”?

Is there a quote that inspires you?

Is there a role model, hero (shero) that inspires you? Why:

If there is something special about your life or career or an experience that you would like to share with others in a feature story about you, please feel free to include:
