

Do you earn \$49,078 or less last year?

You may qualify for **FREE** Tax Preparation Assistance through **EITC**.

The Earned Income Tax Credit (or EITC) is a credit for people who earned less than \$49,078 during 2011 calendar year. If you did, you may be eligible for free tax preparation assistance that can reduce your taxes and result in a refund.

- Millions of workers could overlook a special federal tax credit because they don't know about it. As a result, they could miss out on up to \$5,751 extra in their federal income tax refunds through the Earned Income Tax Credit, or EITC. Last year, on average, the credit increased refunds for eligible workers by \$2,100.
- Workers can get free help determining their EITC eligibility and claiming the credit. Broward County has set up volunteer income tax assistance sites. Residents can locate a site by calling **2-1-1** or **(954) 537-0211**.
