Description of Services:

Florida Housing Finance Corporation is pleased to announce the Special Needs Housing Website. The website is a comprehensive clearinghouse for Florida Housing's affordable housing funding programs and resources targeting households of persons with special needs. These households include persons who are frail, disabled, and/or at risk of being or are homeless. These special needs population may include subgroups such as youth aging out of foster care, survivors of domestic violence, persons with severe and persistent mental illness, farmworkers, or persons with developmental disabilities. Individuals or families with special needs may have difficulties

Features of the Special Needs Housing Website:

- ò Detailed information about the range of Florida Housing programs that can assist eligible organizations in building or substantially rehabilitating housing;
- ò Information on training and technical assistance available for nonprofit organizations that want to learn about housing development and operations for individuals or families with special needs;
- ò Other affordable housing resources for nonprofit and for-profit developers;
- ò Florida Housing affordable homeownership and rental resources for consumers; and
- ò Search engines that tailor requests for Florida Housing program and resource information, as well as available affordable rental units throughout Florida. To access Florida Housing's Special Needs Housing Website, visit www.floridahousing.org and click on
