Description of Services:

The CMS (Children's Medical Services) Network is a valuable resource and option for children approved for Medicaid or Florida Healthy Kids who require more extensive and intensive medical services. The CMS network provides children with special health care or behavioral needs with a family centered, managed system of care. CMS provides compassionate family-centered care coordination that includes: access to specialty providers, emergency and non-emergency care, general medical assistance, and the option of telemedicine in some areas. Providers must undergo an in-depth credentialing process before they are approved to join the CMS Network. Dental needs are not included. CMS nurse coordinators and social workers in addition to care coordination, assist families with advocacy efforts and connect families to community resources resulting in optimum care for children.
